EAST AFRICAN CRUDE OIL PIPELINE

REQUEST FOR EXPRESSION OF INTEREST: PRODUCTION AND INSTALLATION OF CONCRETE PILLARS ALONG EACOP PIPELINE RIGHT OF WAY REFERENCE NO. REQ-00001144

The East African Crude Oil Pipeline (EACOP) Ltd invites eligible, experienced, and reputable companies to submit Expressions of Interest for undertaking the installation of concrete pillars (long standing beacons) along the EACOP Pipeline right of way in Tanzania.

The EACOP Project involves the construction and operation of an underground and cross-border pipeline to transport crude oil from Lake Albert area in Uganda to eastern coast of Tanzania for export to international markets. The pipeline will run from Kibaale, Hoima District in Uganda to the Chongoleani peninsula in Tanga, Tanzania. The length of the pipeline is 1,147 km in Tanzania.

The pipeline in Tanzania traverses eight (8) regions, comprising Kagera, Geita, Shinyanga, Tabora, Singida, Dodoma, Manyara and Tanga.

BRIEF DESCRIPTION OF THE SCOPE OF WORKS:

The scope of work involves the production, installation, and geo-referencing of reinforced concrete pillars along the 1,147 km EACOP pipeline Right of Way (ROW) in Tanzania. The works will be implemented in two phases, Phase One (285 km): Installation of concrete pillars in hotspot areas, including in areas with mining activities, Phase Two (862 km): Installation of concrete pillars along the remaining sections of the pipeline ROW.

The contractor will be responsible for executing all aspects of the scope of work, including; Opening boundaries and geo-referencing the erected concrete pillars provision of survey reports certified by a registered Land Surveyor, painting of pillars, and undertaking all required quality control and testing activities.

All materials and construction works shall be produced using modern locally sourced materials and comply with EACOP specifications, Tanzania Standards, applicable national building codes, and Good International Industry Practice (GIIP). EACOP seeks a reputable and experienced contractor with a proven track record in ROW demarcation and surveying for large-scale linear infrastructure projects in accordance with the Tanzania standards and good international industry practice.

MINIMUM REQUIREMENTS:

Companies expressing their interest are invited to document their request with:

- Details of relevant experience in the right of way demarcation and pillaring of the linear projects specifically in the regions traversed by the EACOP project including Kagera, Geita, Shinyanga, Tabora, Singida, Dodoma, Manyara and Tanga.
- Details of the ability to perform all works. Interested companies can enter into an agreement with other companies to enhance their service offering. However, all and each partner in the agreement MUST meet the COMPANY requirements.
- Proof of registration with relevant Tanzanian Registration Bodies (current BRELA search).
- The contractor undertaking this task should have a technical team with expertise, skills, and experience in land surveying, cadastral surveying, GIS, right of way of demarcation, and civil engineering for linear strategic projects.
- Tanzanian National Contractors (Building) Registration minimum Class IV (submit copy).
- Proof of Legal registration with the applicable regulatory bodies including; OSHA, NEMC, CRB and EWURA.
- Proof of registration with the Tanzania Revenue Authority and Tax (TRA) Clearance Certificate for the latest year available.
- Registration with EWURA Local Supplier Service Provider (LSSP) database or an accepted application for registration at the time of submission of the response to this expression of interest is required.
- Financial capacity to deliver the services required including submission of financial accounts for the year.
- Compliance with Local Content Regulations, 2017.
- Compliance with environmental and safety standards.
- Provide/demonstrate HSE (OSHA), Social and Quality Assurance and Control policies.
- Provide/demonstrate experience with project management techniques and controls, as well as large scale logistics and procurement capabilities.
- Evidence of a QHSE Management system, organization, and process in compliance with applicable Local and Industry standards for similar works.
- Proof of Anti-corruption, Anti-bribery, Compliance and Human Rights policies.

Companies which have the ability, capacity, and resources to implement the activities listed above should express their interest by sending an Expression of Interest (EOI) via email, together with the above listed documents through an, email to **eoi00001144@eacop.com** (max. email size 20MB) on or before **17:00** hours East African Time (EAT), on **1st July 2026.**

Email address should be: **REQ-00001144 EXPRESSION OF INTEREST PRODUCTION AND INSTALLATION OF CONCRETE PILLARS ALONG EACOP PIPELINE RIGHT OF WAY**

Note: EACOP Ltd shall review and assess all Expressions of Interest received in accordance with its internal evaluation criteria and reserves the right, at its sole discretion, to accept or reject any submission, to request additional information, and to determine the shortlist of prequalified companies. Only shortlisted companies may be invited to participate in any subsequent tender process, subject to execution of a Non-Disclosure Agreement where required. All Expressions of Interest and supporting documents shall be submitted in the English language.
