

REQUEST FOR EXPRESSION OF INTEREST: PROVISION OF ROUTINE INSPECTION CONTRACT INSPECTION SERVICE SUPPORT FOR EACOP - TANZANIA REFERENCE NO. REQ-00001258

East African Crude Oil Pipeline (EACOP) Ltd, invites suitably qualified, experienced and reputable companies or organizations to express their interest in the provision of a Routine Inspection Contract for Inspection Service Support across EACOP facilities in Tanzania.

The EACOP Project involves the construction and operation of a buried 1,443 km cross-country heated pipeline transporting crude oil from Lake Albert, Uganda, to Tanga, Tanzania's eastern coast for export. It spans 296 km across ten (10) districts in Uganda and 1,147 km across eight (8) regions and twenty-five (25) districts in Tanzania.

BRIEF DESCRIPTION OF THE SCOPE OF SERVICES:

EACOP Ltd is seeking qualified, experienced and reputable companies, organizations or local joint ventures to supply qualified and certified multi-discipline inspection personnel, rope access teams, topographical/ settlement surveyors, and calibrated conventional & advanced Non-Destructive Testing (NDT) apparatus to execute scheduled baseline, in-service inspection campaigns and call-out services across EACOP facilities in Tanzania. These campaigns cover Marine Storage Terminal (MST) at Chongoleani, Pumping Stations (PS3, PS4, PS5 and PS6), Pressure Reduction Stations (PRS1 and PRS2) and fifty-three (53) Main Line Block Valve (MLBV) stations along the 1,147 km Tanzanian corridor.

The inspection scope covers pressure vessels, drums, shell and tube heat exchangers, fired heaters, piping, above-ground pipelines, accumulators, transportable gas cylinders, flexible hoses, above-ground storage tanks, surface structures, civil support and marine jetty topside facilities.

Execution entails deploying conventional and advanced NDT methods, such as UT thickness measurement and flaw detection, Phased Array Ultrasonic Testing for weld and corrosion mapping, Pulsed Eddy Current for Corrosion Under Insulation screening, Long Range Ultrasonic Testing, Multi-skip screening for Corrosion Under Pipe Support, Tube Eddy Current Testing for heat exchanger bundles, Boreoscopic Inspection for internal visual assessments, Magnetic Particle Testing, Dye Penetrant Testing, Eddy Current Testing, Radiographic Testing, and Infrared Thermography, alongside precision optical levelling and Total Station surveys for storage tanks and jetty structures.

MINIMUM SUBMISSION REQUIREMENTS:

Companies, organizations, or local joint ventures are invited to submit the following in support of their Expression of Interest:

- Certified corporate registration documents, including a valid Business License, Certificate of Incorporation or Registration, and a recent corporate search from the Business Registrations and Licensing Agency (BRELA).
- Proof of registration with Tanzania Revenue Authority (TRA) and valid certified Tax Clearance Certificate (TCC).
- Compliance with Local Content Regulations, 2017 and Local Company Definition.

- Proof of up-to-date registration with EWURA Local Supplier Service Provider (LSSP) database or a copy of an approved application at the time of submission of the response to this expression of interest is strongly recommended.
- Valid certified operating licenses and registration certificates issued by the Occupational Safety and Health Authority (OSHA) Tanzania specifically covering industrial plant inspection, pressure equipment inspection and statutory plant examination in Tanzania.
- IRATA Membership and ISO/IEC 17020 accreditation (Type-A Third-Party Inspection Body), alongside certified Quality, Health, Safety, and Environmental (QHSE) management systems complying with ISO 9001, ISO 14001, and ISO 45001.
- Summary of relevant corporate experience, technical capabilities, and plant inspection track record.
- Comprehensive CVs and certified copies of qualifications for proposed Inspection Engineers (API/CSWIP) and NDT Technicians (ISO 9712/ASNT Level II) and related professional certification.
- Inventory list of company-owned NDT equipment, thickness gauges, and flaw detectors with valid calibration records.
- Proof of financial capacity, including audited financial accounts for the last three (3) consecutive years.
- Proof of company policies on Anti-Corruption, Anti-Bribery, Compliance, Business Ethics, and Human Rights.

Companies, organizations, or local joint ventures with the required capacity are invited to submit an Expression of Interest (EOI) by email, including the listed documents, to procurement.tz@eacop.com (maximum size 20 MB) no later than **17:00 EAT on 30th October 2026**.

The email subject must be: **REQ-00001258: Provision of Routine Inspection Contract for Inspection Service Support EACOP – Tanzania**

EOI submissions must not exceed 20 pages and shall be submitted in the English Language.

Note: EACOP Ltd will review and assess the documents provided by companies, organizations or local joint ventures that have expressed interest in accordance with this EOI, and conduct evaluations based on internal criteria to determine which companies, organizations or local Joint ventures will be included in the list of pre-qualified companies, organizations or local Joint ventures. Only the pre-qualified companies, organizations or local Joint ventures will, after signing a Non-Disclosure Agreement, receive an invitation to bid as a continuation of the Call for Tender process. EACOP Ltd reserves the right at its sole discretion to make the decision to select or reject a company, organization or local Joint venture and maintain its decision without having to give reasons to the company, organization or local Joint venture concerned.
