

REQUEST FOR EXPRESSION OF INTEREST: PROVISION OF ROUTINE INSPECTION CONTRACT PIPELINE AC & TELLURIC MITIGATION SURVEY FOR EACOP - TANZANIA REFERENCE NO. REQ-00001264

East African Crude Oil Pipeline (EACOP) Ltd, invites suitably qualified, experienced and reputable companies, organizations or local joint ventures to express their interest in the provision of a Routine Inspection Contract for Pipeline AC & Telluric Mitigation Survey across EACOP facilities in Tanzania.

The EACOP Project involves the construction and operation of a buried 1,443 km cross-country heated pipeline transporting crude oil from Lake Albert, Uganda, to Tanga, Tanzania's eastern coast for export. It spans 296 km across ten (10) districts in Uganda and 1,147 km across eight (8) regions and twenty-five (25) districts in Tanzania.

BRIEF DESCRIPTION OF THE SCOPE OF SERVICES:

EACOP Ltd is seeking qualified, experienced and reputable companies, organizations or local joint ventures to provide specialized monitoring of AC voltage induced on the pipeline by powerlines, AC corrosion assessments, telluric current monitoring, DC stray current verification, soil resistivity profiling, Solid-State Decoupler (SSD) validation, and mitigation modelling across 44 test facilities along the 1,147 km Tanzania corridor.

These surveys are established as a routine integrity activity, with the first in-service inspection campaign executed within one (1) year of pipeline start-up, followed by subsequent campaigns every two (2) years.

Execution requires utilizing AMPP/NACE-certified specialists, synchronous data loggers, and modelling software in compliance with EACOP specifications and international standards (NACE SP0177, ISO 18086, NACE SP21424, EN 50443, IEEE 81, ASTM G57).

MINIMUM SUBMISSION REQUIREMENTS:

Companies, organizations, or local joint ventures are invited to submit the following in support of their Expression of Interest:

- Certified corporate registration documents, including a valid Business License, Certificate of Incorporation or Registration, and a recent corporate search from the Business Registrations and Licensing Agency (BRELA).
- Proof of tax registration with the Tanzania Revenue Authority (TRA) and a valid Tax Clearance Certificate (TCC).
- Proof of up-to-date registration with the EWURA Local Supplier Service Provider (LSSP) database or a copy of an approved application at the time of submission of the response to this expression of interest is strongly recommended.
- Compliance with Local Content Regulations, 2017 and Local Company Definition. Valid operating licenses and technical authorizations relevant to corrosion engineering and electrical safety testing in Tanzania.

- Certified Quality, Health, Safety, and Environmental (QHSE) management systems complying with ISO 9001, ISO 14001, and ISO 45001.
- Summary of relevant corporate experience, technical capabilities, and a proven track record in pipeline AC voltage monitoring, telluric current assessments, soil resistivity surveys, and Solid-State Decoupler (SSD) validation.
- Detailed CVs and certified qualification copies of proposed key personnel, specifically highlighting AMPP/NACE credentials for Cathodic Protection and AC mitigation specialists.
- Inventory list of company-owned equipment, including GPS-synchronized data loggers, high-impedance multimeters, soil resistivity meters, and relevant electromagnetic interference modelling software licenses (e.g., CDEGS).
- Proof of financial capacity, including audited financial statements for the last three (3) consecutive years.
- Proof of company policies on Anti-Corruption, Anti-Bribery, Compliance, Business Ethics, and Human Rights.

Companies, organizations, or local joint ventures with the required capacity are invited to submit an Expression of Interest (EOI) by email, including the listed documents, to procurement.tz@eacop.com (maximum size 20 MB) no later than **17:00 EAT on 30th October 2026**.

The email subject must be: **REQ-00001264: Provision of Routine Inspection Contract for Pipeline AC & Telluric Mitigation Survey EACOP – Tanzania**

EOI submissions must not exceed 20 pages and shall be submitted in the English Language.

Note: EACOP Ltd will review and assess the documents provided by companies, organizations or local joint ventures that have expressed interest in accordance with this EOI, and conduct evaluations based on internal criteria to determine which companies, organizations or local Joint ventures will be included in the list of pre-qualified companies, organizations or local Joint ventures. Only the pre-qualified companies, organizations or local Joint ventures will, after signing a Non-Disclosure Agreement, receive an invitation to bid as a continuation of the Call for Tender process. EACOP Ltd reserves the right at its sole discretion to make the decision to select or reject a company, organization or local Joint venture and maintain its decision without having to give reasons to the company, organization or local Joint venture concerned.
