

EAST AFRICAN CRUDE OIL PIPELINE

REQUEST FOR EXPRESSION OF INTEREST: TEMPORARY LAND ACCESS AND CULTURAL HERITAGE MANAGEMENT DURING FIELD OPERATIONS REFERENCE NO. REQ-00001319

East African Crude Oil Pipeline (EACOP) Limited ("COMPANY") invites experienced, reputable companies and organizations to express interest in the **Provision of Temporary Land Access and Cultural Heritage Management Services during Field Operations**.

The EACOP Project is transitioning from the construction phase to the operation of an underground buried, cross-border pipeline to transport crude oil from Lake Albert area in Uganda to eastern coast of Tanzania for export to international markets. The pipeline runs from Kabaale, Hoima District in Uganda to the Chongoleani peninsula in Tanga, Tanzania. The length of the pipeline is 1,443 km, of which 296km will be in Uganda and 1,147 km in Tanzania. In Uganda the pipeline will traverse ten (10) districts including Hoima, Kikube, Kakumiro, Kyankwazi, Mubende, Gomba, Sembabule, Iwengo, Rakai and Kyotera.

BRIEF DESCRIPTION OF THE SCOPE OF SERVICES

EACOP is committed to ensuring that the temporary land access and preservation of cultural heritage if need arises during operations will be undertaken in compliance with Ugandan national legislation, relevant international treaties and protocols, IFC PSs (2012), the IFC General Environmental Health and Safety (EHS) Guidelines and the IFC Industry Specific EHS guidelines. EACOP operations may require temporary access to land in any of the ten districts and outside the permanent footprint for emergencies or planned maintenance, potentially affecting cultural heritage as well.

COMPANY invites qualified Ugandan Companies to express interest in managing the mandatory requirements for temporary land use from access to close-out.

Contractor shall:

- Conduct and document baseline assessments, identifying all land users and owners.
- Prepare valuation methodology statements for temporary land access.
- Conduct and support stakeholder engagement and community sensitization activities.
- Conduct cadastral and asset surveys to identify affected persons and ownership rights in the affected land.
- Conduct legal due diligence on all proposed temporary land requirements.
- Prepare valuation assessments covering affected land, assets, and associated land-use or livelihood impacts, supported by relevant evidence.
- Facilitate the signing of land access consent forms and land rental agreements by affected landowners.
- Conduct cultural heritage investigations before temporary land access and propose mitigation measures.
- Assess the significance of chance finds and take appropriate action in liaison with the Uganda Museum.
- Support the management and resolution of grievances.
