EAST AFRICAN
CRUDE OIL
PIPELINE

REQUEST FOR EXPRESSION OF INTEREST (EOI): PROVISION OF ROUTINE INSPECTION CONTRACT: PIPELINE RBI AND PIM SOFTWARE FOR EACOP - UGANDA
REFERENCE NO. REQ-00001255

East African Crude Oil Pipeline (EACOP) LTD invites suitably qualified, experienced and reputable companies, organizations or local joint ventures to express their interest in the **provision of a Routine Inspection Contract, specifically for the implementation of Risk-Based Inspection (RBI) & Pipeline Integrity Management System (PIMS) Software for the EACOP pipeline in Uganda.** The EACOP Project involves the construction and operation of a buried 1,447 km cross-country heated pipeline transporting crude oil from lake Albert, Uganda, to Tanga, Tanzania's Eastern coast for export. It spans 298 km across ten (10) districts in Uganda and 1,149 km across eight (8) regions and twenty-five (25) districts in Tanzania.

BRIEF DESCRIPTION OF THE SCOPE OF THE SERVICES

The Contractor shall supply, configure, and implement a comprehensive Risk-Based Inspection (RBI) and Pipeline Integrity Management System (PIMS) software platform for the EACOP Export Mainline Uganda Section of 296 km. The scope entails integrating an interactive, risk-mapped GIS environment with the project's as-built Pipeline Open Data Standard (PODS) architecture and establishing a direct interlink with the Computerized Maintenance and Inspection Management System (CMIMS) to automate integrity workflows. The platform must execute Level 1 and Level 2 semi-quantitative RBI assessments utilizing API 580 ALARP principles, alongside Fitness-For-Service (FFS) calculations (ASME B31G/DNV-RP-F101) directly correlated to In-Line Inspection (ILI) anomalies and historical operational data.

Furthermore, the Contractor shall execute end-to-end data migration, asset registration, and rigorous factory and user acceptance testing (FAT/UAT), backed by 24/7 continuous online technical support from dedicated pipeline and software engineers. **Amendment to previous REQ- 00001255: For this scope of work, it is EACOP's intention to enter into a combined contract comprising a Joint Venture having registered entities or local partners in both Uganda and Tanzania and that the services will be performed cross border by each local partner. The relevant EOI for the Tanzanian part is REQ-00001265 which can be found in the local journals or EACOP's Goods & Services procurement website EACOP Goods & Services – EACOP – East African Crude Oil Pipeline.**

MINIMUM REQUIREMENTS

Companies, organizations, or local joint ventures are invited to submit the following in support of their Expression of Interest:

- Certified corporate registration documents, including a valid Trading License, Certificate of Incorporation or Registration, a recent search from the Uganda Registration Services Bureau (URSB), and evidence of current statutory particulars and filings under the Companies Act, 2012 and the Companies Regulations, 2023, as applicable to the legal form of the applicant.
- Uganda Revenue Authority (URA) TIN registration and valid Tax Clearance Certificate (TCC).
- Evidence of active registration on the Petroleum Authority of Uganda (PAU) National Supplier Database (NSD).
- Statement of compliance with the Petroleum (Exploration, Development and Production) (National Content) Regulations, 2016.
- Certified Quality Management System (QMS) complying with ISO 9001, alongside verifiable company policies regarding Information Security Management (e.g., ISO 27001) and standard Health, Safety, and Environmental (HSE) practices appropriate for IT/software service providers.
- Summary of relevant corporate experience and a proven track record in successfully executing RBI and FFS software implementations of similar scope, supported by client recommendation letters and software demonstration slide packs.
- Comprehensive CVs and certified qualifications for the proposed 24/7 online technical support team, explicitly including a senior pipeline engineer, an active assessment/ troubleshooting pipeline engineer, and a dedicated IT/ software engineer.
- Details of organizational structure and resources demonstrating the capacity to deliver continuous quality service, data migration, and software integration (PODS, CMIMS/MAXIMO).
- Proof of financial capacity, including audited financial statements for the last three (3) consecutive years.
- Company policies on Anti-Corruption, Anti-Bribery, Compliance, Business Ethics, and Human Rights.

Companies, organizations, or local joint ventures with the required capacity are invited to submit an Expression of Interest (EOI) by email, including the listed documents, to **procurement.ug@eacop.com** (maximum size 20 MB) no later than **17:00 EAT** on **16th November 2026**. The email subject must be: **REQ-00001255 Provision of Routine Inspection Contract for implementation of Risk-Based Inspection (RBI) & Pipeline Integrity Management System (PIMS) Software EACOP – Uganda**. EOI submissions must not exceed 20 pages and shall be submitted in the English Language.

NOTE: EACOP LTD will review and assess the documents provided by companies, organizations or local joint ventures that have expressed interest in accordance with this EOI, and conduct evaluations based on internal criteria to determine which companies, organizations or local joint ventures will be included in the list of pre-qualified companies, organizations or local joint ventures. Only the pre-qualified companies, organizations or local joint ventures will, after signing a Non-Disclosure Agreement, receive an invitation to bid as a continuation of the Call for Tender process. EACOP LTD reserves the right at its sole discretion to make the decision to select or reject a company, organization or local joint venture and maintain its decision without having to give reasons to the company, organization or local joint venture concerned.
